

JAPANESE GOVERNMENT (MONBUKAGAKUSHO: MEXT) SCHOLARSHIP FOR 2023

(JAPANESE STUDIES STUDENTS: Nikkensei)

Osaka University will offer scholarships by the Japanese Government's Ministry of Education, Culture, Sports, Science and Technology (MEXT) for academic study in Japan to students as Japanese Government Scholarship Students through university recommendation as outlined below.

Regulations for the 2023 MEXT Scholarship Program are as follows:

1. QUALIFICATIONS AND CONDITIONS

- (1) Eligible applicants Those with the purpose of studying at a Japanese university in order to deepen their understanding of the Japanese language, Japanese affairs and Japanese culture, and those who will newly be coming to study from countries abroad. Only applicants with official recommendations from partner universities of Osaka University (Inter-University Agreements and Inter-Faculty Agreements with Osaka University) are eligible.
- (2) Nationality Applicants must have the nationality of a country that has diplomatic relations with Japan. An applicant who has Japanese nationality at the time of application is not eligible. However, persons with dual nationality who hold Japanese nationality and whose place of residence at the time of application is outside of Japan are eligible to apply as long as they choose the nationality of the other country and renounce their Japanese nationality by the date of their arrival in Japan.
- (3) Age Applicants must be born between April 2, 1993 and April 1, 2005. Exceptions are limited to cases in which MEXT deems that the applicant could not apply within the eligible age limit due to the situation or circumstances of the applicant's country (military service obligation, loss of educational opportunities due to disturbances of war, etc.) Personal circumstances (financial situation, family circumstances, state of health, circumstances related to applicant's university or place of employment, etc.) will not be considered for exceptions.
- (4) Academic Background Applicants must satisfy the following three conditions.
① Applicants must be undergraduates at foreign (non-Japanese) universities at the time of arriving in and leaving Japan.
② Those who are majoring in fields related to the Japanese language or Japanese culture.
③ Those who have studied Japanese language or Japanese culture at a university for a total period of one year or more as of September 2023.
(For those who have studied Japanese language or Japanese culture at another university and the time spent studying there totals one year or more: please submit a document [a transcript at another university] which can verify that applicants have been studying Japanese language or Japanese culture for a total period of one year or more).
- (5) Japanese Language Ability Applicants must meet one of the following requirements.

(Unless the applicant has an unavoidable reason, if an applicant cannot arrive in Japan in the designated date by Osaka University, he/she must withdraw from this scholarship program. Also, if an applicant cannot arrive in Japan on the date designated by Osaka University for personal reasons, travel expenses to Japan will not be paid.)
